

Audiology Extern Opportunity – Private Practice in Geneva, Illinois

Geneva Hearing Services offers a great location, growth, and professional expertise!

You want to change lives. You are working hard to obtain your degree so you can earn a living helping patients engage with the world through better hearing. We understand. **We feel the same way.**

The Company:

Geneva Hearing Services is an independent audiology clinic that is proud to serve Geneva, Illinois' hearing care needs. Centrally located about an hour from the Chicago metro area and just 20 minutes from Aurora, Illinois, Geneva is an ideal place to start your career! We are offering the right student an exciting opportunity to learn from our dynamic team. In private practice you are able to gain knowledge, work autonomously, and learn entrepreneurial skills. We are looking for a student who could potentially join our growing team after graduating.

We work together as a team to create an environment that puts people at ease and helps them work towards better hearing and quality of life. We want our employees and trainees to grow and learn, enhancing their lives through the practice as well.
